The Descriptions of the Seventy-eight Symbols of this Book {"T" in a circle, composed of two white bars}, together with their meanings.

#### OF THE ACES

FIRST in order and importance are the Four Aces, representing the Force of the Spirit, acting in, and binding together, the Four Scales of each Element: and answering to the Dominion of the Letters of the Name in the Kether of each. They represent the Radical Forces.

The Four Aces are said to be placed on the North Pole of the Universe wherein they revolve, governing its revolution; and ruling as the connecting link between Yetzirah and the Material Plane or Universe.

#### ACE OF WANDS, ROOT OF THE POWERS OF FIRE

A WHITE Radiating Angelic Hand, issuing from clouds, and grasping a heavy club, which has three branches in the colours, and with the sigils, of the scales. The Right-and Left-hand branches end respectively in three Flames, and the Centre one in four Flames: thus yielding Ten: the Number of the Sephiroth.

Two-and-twenty leaping Flames, or Yodh, surround it, answering to the Paths; of these, three fall below the Right branch for Aleph, Men, and Shin, seven above the Central branch for the double letters; and between it and that of the Right twelve: six above and six below about the Left-hand branch. The whole is a great and flaming Torch. It symbolizes Force--strength, rush, vigour, energy, and it governs, according to its nature, various works and questions.

It implies Natural, as opposed to Invoked, Force.

ACE OF CUPS

#### ACE OF CUPS (or CHALICES), ROOT OF THE POWERS OF THE WATERS

A WHITE Radiant Angelic Hand, issuing from clouds, and supporting on the palm thereof a cup, resembling that of the Stolistes.

From it rises a fountain of clear and glistening water: and sprays falling on all sides into clear calm water below, in which grow Lotuses and Water-lilies. The great Letter of the Supernal Mother is traced in the spray of the Fountain.

It symbolizes Fertility—productiveness, beauty, pleasure, happiness, etc.

ACE OF SWORDS

#### ACE OF SWORDS, ROOT OF THE POWERS OF THE AIR

A WHITE Radiating Angelic Hand, issuing from clouds, and grasping the hilt of a sword, which supports a White Radiant Celestial Crown; from which depend, on the right, the olive branch of Peace; and on the left, the palm branch of suffering.

Six Vaus fall from its point. It symbolizes "Invoked," as contrasted with Natural Force: for it is the Invocation of the Sword. Raised upward, it invokes the Divine crown of Spiritual Brightness, but reversed it is the Invocation of Demonic Force; and becomes a fearfully evil symbol. It represents, therefore, very great power for good or evil, but invoked; and it also represents whirling Force, and strength through trouble. It is the affirmation of Justice upholding Divine Authority; and it may become the Sword of Wrath, Punishment, and Affliction.

ACE OF PENTACLES

#### ACE OF PENTACLES, ROOT OF THE POWERS OF THE EARTH

A WHITE Radiant Angelic Hand, holding a branch of a Rose Tree, whereon is a large Pentacle, formed of Five concentric circles. The Innermost Circle is white, charged with a red Greek Cross. From this White Centre, Twelve Rays, also white, issue: these terminate at the circumference, making the whole something like an Astrological figure of the Heavens.

It is surmounted by a small circle, above which is a large white Maltese Cross, and with two white wings.

Four Crosses and two buds are shewn. The Hand issueth from the Clouds as in the other three cases.

It represents materiality in all senses, good and evil: and is, therefore, in a sense, illusionary: it shows material gain, labour, power, wealth, etc.

#### THE FOUR KINGS

THE Four Kings, or "Figures mounted on steeds," represent the Yodh forces of the Name in each Suit: the Radix, Father and commencement of Material Forces, a force in which all the others are implied, and of which they form the development and completion. A force swift and violent in its action, but whose effect soon passes away, and therefore symbolized by a Figure on a Steed riding swiftly, and clothed in complete Armour.

Therefore is the knowledge of the scale of the King so necessary for the commencement of all magical working.

## THE FOUR QUEENS

THE Four Queens are seated upon Thrones, representing the Forces of the He of the Name in each suit; the Mother and bringer-forth of Material Forces: a force which develops and realizes that of the King: a force steady and unshaken, but not rapid, though enduring. It is therefore symbolized by a Figure seated upon a Throne: but also clothed in Armour.

## THE FOUR PRINCES

THESE Princes are Figures seated in Chariots, and thus borne forward. They represent the Vau Forces of the Name in each suit: the Mighty Son of the King and Queen, who realizes the influence of both scales of Force. A Prince, the son of a King and Queen, yet a Prince of Princes, and a King of Kings: an Emperor whose effect is at once rapid (though not so swift as that of the Queen) and enduring. It is, therefore, symbolized by a Figure borne in a Chariot, and clothed in Armour. Yet is his power vain and illusionary, unless set in Motion by his Father and Mother.

## THE FOUR PRINCESSES

THE Four Princesses are the Knaves of the Tarot Pack; The Four Princesses or figures of Amazons, standing firmly of themselves: neither riding upon Horses, nor seated upon Thrones, nor borne in Chariots. They represent the forces of the He final of the Name in each suit, completing the Influences of the other scales: The mighty and potent daughter of a King and Queen: a Princess powerful and terrible: a Queen of Queens--an Empress--whose effect combines those of the King, Queen, and Prince, at once violent and permanent; therefore symbolized by a Figure standing firmly by itself, only partially draped, and having but little Armour; yet her power existeth not, save by reason of the others: and then indeed it is mighty and terrible materially, and is the Throne of the Forces of the Spirit.

Woe unto whomsoever shall make war upon her, when thus established!

### KING OF WANDS

Lord of the Flame and the Lightning; King of the Spirits of Fire

A WINGED Warrior riding upon a black horse with flaming mane and tail: the horse itself is not winged. The rider wears a winged helmet (like the old Scandinavian and Gaulish helmet) with a Rayed Crown, a corslet of scale-mail and buskins of the same, and a flowing scarlet mantle. Above his helmet, upon his curass, and on the shoulder-pieces and buskins, he wears as a crest a winged black horse's head. He grasps a club with flaming ends, somewhat similar to that in the symbol of the Ace of Wands, but not so heavy, and also the sigil of his scale is shown; beneath the rushing feet of his steed are waving flames and fire. He is active--generous--fierce--sudden--impetuous.

If ill dignified, he is evil-minded--cruel--bigoted--brutal. He rules the celestial heavens from above the Twentieth Degree of Scorpio to the First Two Decans of Sagittarius: and this includes a part of the Constellation Hercules. (Hercules is always represented with a Club.)

Fire of Fire

King of the Salamanders.

### QUEEN OF WANDS

Queen of the Thrones of Flame

A CROWNED queen with long red-golden hair, seated upon a Throne, with steady flames beneath. She wears a corslet and buskins of scale-mail, which latter her robe discloses. Her arms are almost bare. On cuirass and buskins are leopard's heads winged, and the same symbol surmounteth her crown. At her side is a couchant leopard on which her hands rest.

She bears a long wand with a very heavy conical head. The face is beautiful and resolute.

Adaptability, steady force applied to an object, steady rule, great attractive power, power of command, yet liked notwithstanding. Kind and generous when not opposed.

If ill dignified, obstinate, revengeful, domineering, tyrannical, and apt to turn against another without a cause.

She rules the heavens from above the last Decan of Pisces to above the 20 Degree of Aries: including thus a part of Andromeda.

Water of Fire

Queen of the Salamanders.

PRINCE OF WANDS  
Prince of the Chariot of Fire

A KINGLY Figure with a golden, winged crown, seated on a chariot. He has large white wings. One wheel of his chariot is shewn. He wears corslet and buskins of scale armour decorated with a winged lion's head, which symbol also surmounts his crown. His chariot is drawn by a lion. His arms are bare, save for the shoulder-pieces of the corslet, and he bears a torch or fire-wand, somewhat similar to that of the Zelator Adeptus Minor. Beneath the chariot are flames, some waved, some salient.

Swift, strong, hasty; rather violent, yet just and generous; noble and scorning meanness.  
If ill dignified—cruel, intolerant, prejudiced and ill natured.

He rules the heavens from above the last Decan of Cancer to the second Decan of Leo; hence he includes most of Leo Minor.

Air of Fire

Prince and Emperor of Salamanders.

PRINCESS OF WANDS  
Princess of the Shining Flame; Rose of the Palace of Fire

A VERY strong and beautiful woman with flowing red-gold hair, attired like an Amazon. Her shoulders, arms, bosom and knees are bare. She wears a short kilt reaching to the knee. Round her waist is a broad belt of scale-mail; narrow at the sides; broader in front and back; and having a winged tiger's head in front. She wears a Corinthian-shaped helmet and crown with a long plume. It also is surmounted by a tiger's head, and the same symbol forms the buckle of her scale-mail buskins. A mantle lined with tiger's skin falls back from her shoulders. Her right hand rests on a small golden or brazen altar ornamented with ram's heads and with Flames of Fire leaping from it. Her left hand leans on a long and heavy club, swelling at the lower end, where the sigil is placed; and it has flames of fire leaping from it the whole way down; but the flames are ascending. This club or torch is much longer than that carried by the King or Queen. Beneath her firmly placed feet are leaping Flames of Fire.

Brilliance, courage, beauty, force, sudden in anger or love, desire of power, enthusiasm, revenge.

If ill dignified, she is superficial, theatrical, cruel, unstable, domineering.

She rules the heavens over one quadrant of the portion around the North Pole.

Earth of Fire

Princess and Empress of the Salamanders.

Throne of the Ace of Wands.

KING OF CUPS  
Lord of the Waves and the Waters; King of the Hosts of the Sea

A BEAUTIFUL, winged, youthful Warrior with flying hair, riding upon a white horse, which latter is not winged. His general equipment is similar to that of the King of Wands, but upon his helmet, cuirass and buskins is a peacock with opened wings. He holds a cup in his hand, bearing the sigil of the scale. Beneath his horse's feet is the sea. From the cup issues a crab.

Graceful, poetic, Venusian, indolent, but enthusiastic if roused.

If ill dignified, he is sensual, idle and untruthful.

He rules the heavens from above 20 Degree of Aquarius to 20 Degree of Pisces, thus including the greater part of Pegasus.

Fire of Water

King of Undines and Nymphs.

QUEEN OF CUPS  
Queen of the Thrones of the Waters

A VERY beautiful fair woman like a crowned Queen, seated upon a throne, beneath which is flowing water wherein Lotuses are seen. Her general dress is similar to that of the Queen of Wands, but upon her crown, cuirass and buskins is seen an Ibis with opened wings, and beside her is the same bird, whereon her hand rests. She holds a cup, wherefrom a crayfish issues. Her face is dreamy. She holds a lotus in the hand upon the Ibis.

She is imaginative, poetic, kind, yet not willing to take much trouble for another. Coquettish, good-natured and underneath a dreamy appearance. Imagination stronger than feeling. Very much affected by other influences, and therefore more dependent upon dignity than most symbols.

She rules from 20 Degree Gemini to 20 Degree Cancer.

Water of Water

Queen of Nymphs or Undines.

PRINCE OF CUPS  
Prince of the Chariot of the Waters

A WINGED Kingly Figure with winged crown seated in a chariot drawn by an eagle. On the wheel is the symbol of a scorpion. The eagle is borne as a crest on his crown, cuirass and buskins. General attire like Prince of Wands. Beneath his chariot is the calm and stagnant water of a lake. His armour resembles feathers more than scales. He holds in one hand a lotus, and in the other a cup, charged with the sigil of his scale. A serpent issues from the cup, and has its head tending down to the waters of the lake. He is subtle, violent, crafty and artistic; a fierce nature with calm exterior. Powerful for good or evil but more attracted by the evil if allied with apparent Power or Wisdom.

If ill dignified, he is intensely evil and merciless.

He rules from 20 Degree Libra to 20 Degree Scorpio.

Air of Water

Prince and Emperor of Nymphs or Undines.

PRINCESS OF CUPS

PRINCESS OF CUPS  
Princess of the Waters; Lotus of the Palace of the Floods

A BEAUTIFUL Amazon-like figure, softer in nature than the Princess of Wands. Her attire is similar. She stands on a sea with foaming spray. Away to her right a Dolphin. She wears as a crest a swan with opening wings. She bears in one hand a lotus, and in the other an open cup from which a turtle issues. Her mantle is lined with swans-down, and is of thin floating material.

Sweetness, poetry, gentleness and kindness. Imaginative, dreamy, at times indolent, yet courageous if roused.

When ill dignified she is selfish and luxurious.

She rules a quadrant of the heavens around Kether.

Earth of Water

Princess and Empress of the Nymphs or Undines

Throne of the Ace of Cups.

KING OF SWORDS

KING OF SWORDS  
Lord of the Winds and the Breezes; King of the Spirits of Air

A WINGED Warrior with crowned Winged Helmet, mounted upon a brown steed. His general equipment is as that of the King of Wands, but he wears as a crest a winged six-pointed star, similar to those represented on the heads of Castor and Pollux the Dioscuri, the twins Gemini (a part of which constellation is included in his rule). He holds a drawn sword with the sigil of his scale upon its pommel. Beneath his horse's feet are dark-driving stratus clouds.

He is active, clever, subtle, fierce, delicate, courageous, skilful, but inclined to domineer. Also to overvalue small things, unless well dignified.

If ill dignified, deceitful, tyrannical and crafty.

Rules from 20 Degree Taurus to 20 Degree Gemini.

Fire of Air

King of the Sylphs and Sylphides.

QUEEN OF SWORDS

Queen of the Thrones of Air

Her general attire is as that of the Queen of Wands, but she wears as a crest a winged child's head. A drawn sword in one hand, and in the other a large, bearded, newly severed head of a man.

Intensely perceptive, keen observation, subtle, quick and confident: often persevering, accurate in superficial things, graceful, fond of dancing and balancing.

If ill dignified, cruel, sly, deceitful, unreliable, though with a good exterior.

Rules from 20 Degree Virgo to 20 Degree Libra.

Water of Air

Queen of the Sylphs and Sylphides.

PRINCE OF SWORDS  
Prince of the Chariot of the Winds

A WINGED King with Winged Crown, seated in a chariot drawn by Arch Fays, represented as winged youths very slightly dressed, with butterfly wings: heads encircled by a fillet with a pentagram thereon: and holding wands surmounted by pentagrams, the same butterfly wings on their feet and fillets. General equipment as the Prince of Wands: but he bears as a crest a winged angelic head with a pentagram on the brows. Beneath the chariot are grey nimbus clouds. His hair long and waving in serpentine whirls, and whorl figures compose the scales of his armour. A drawn sword in one hand; a sickle in the other. With the sword he rules, with the sickle he slays.

Full of ideas and thoughts and designs, distrustful, suspicious, firm in friendship and enmity; careful, observant, slow, over-cautious, symbolizes Alpha and Omega; he slays as fast as he creates.

If ill dignified: harsh, malicious, plotting; obstinate, yet hesitating; unreliable.

Rules from 20 Degree Capricorn to 20 Degree Aquarius.

Air of Air

Prince and Emperor of the Sylphs and Sylphides.

PRINCESS OF SWORDS  
Princess of the Rushing Winds; Lotus of the Palace of Air

AN AMAZON figure with waving hair, slighter than the Rose of the Palace of Fire. Her attire is similar. The Feet seem springy, giving the idea of swiftness. Weight changing from one foot to another and body swinging around. She is a mixture of Minerva and Diana: her mantle resembles the AEgis of Minerva. She wears as a crest the head of the Medusa with serpent hair. She holds a sword in one hand; and the other rests upon a small silver altar with grey smoke (no fire) ascending from it. Beneath her feet are white clouds.

Wisdom, strength, acuteness; subtlety in material things: grace and dexterity.

If ill dignified, she is frivolous and cunning.

She rules a quadrant of the heavens around Kether.

The winged head of a stag or antelope as a crest. Beneath the horse's feet is fertile land with ripened corn. In one hand he bears a sceptre surmounted by a hexagram: in the other a Pentacle like that of the Zelator Adeptus Minor.

Unless very well dignified he is heavy, dull, and material. Laborious, clever, and patient in material matters.

If ill dignified, he is avaricious, grasping, dull, jealous; not very courageous, unless assisted by other symbols.

Rules from above 20 Degree of Leo to 20 Degree of Virgo.

Fire of Earth

King of Gnomes.

**QUEEN OF PENTACLES**

A WOMAN of beautiful face with dark hair; seated upon a throne, beneath which is dark sandy earth. One side of her face is light, the other dark; and her symbolism is best represented in profile. In one hand she bears a sceptre surmounted by a cube, and in the other an orb of gold.

She is impetuous, kind; timid, rather charming; great-hearted; intelligent, melancholy; truthful, yet of many moods.

There being thirty-six Decans and seven Planets, it follows that one of the latter must rule over one more Decan than the others. This is the Planet Mars, to which are allotted the last Decan of Pisces, and the first of Aries, because the long cold of the winter requires a great energy to overcome it, and initiate spring.

And the beginning of the Decanates is from the royal Star of Leo, the great Star Cor Leonis: and therefore is the first Decan that of Saturn in Leo.

Here follow the general meanings of the small cards of the suits, as classified under the nine Sephiroth below Kether.

Chokmah

The Four Twos symbolize the Powers of the King and Queen just uniting and initiating the Force; but before the Prince and Princess are thoroughly brought into action. Therefore do they generally imply the initiation and fecundation of a thing.

Binah

Realization of action owing to the Prince being produced. The central symbol on each card. Action definitely commenced for good or evil.

Chesed

Perfection, realization, completion: making a matter settled and fixed.

Geburah

Opposition, strife and struggle: war; obstacle to the thing in hand. Ultimate success or failure is otherwise shewn.

Tiphareth

Definite accomplishment. Thing carried out.

Netzach

Generally shew a force transcending the Material Plane: and is like unto a Crown; which, indeed, is powerful, but requireth one capable of wearing it. The Sevens then shew a possible result: which is dependent on the action then taken. They depend much on the symbols that accompany them.

Hod

Solitary success, i.e., success in the matter for the time being but not leading to much result apart from the thing itself.

Yesod

Very great fundamental force. Executive power, because they restore a firm basis. Powerful for good or evil.

Malkuth

Fixed, culminated, complete Force, whether good or evil. The matter thoroughly and definitely determined. Ultimating Force.

\* \* \*

Here follow the particular descriptions of each of the thirty-six cards: with full meanings. Decan-cards are always modified by the other symbols with which they are in contact.

Five of Wands, Lord of Strife

TWO White Radiant Angelic Hands issuant per nubes dexter and sinister. They are clasped together in the grip of the First Order, "i.e." the four fingers of each right hand crooked into each other, the thumbs meeting above; and they hold, at the same time, by their centres, five wands or torches which are similar unto the wands of a Zelator Adeptus Minor. One wand is upright in the middle; the others cross each other. Flames leap from the point of junction.

Above the middle wand is the sign Saturn, and below is that of Leo: thus representing the Decante. Violent strife and boldness, rashness, cruelty, violence, lust, desire, prodigality and generosity; depending on whether the card is well or ill dignified.

Geburah of Yod (Quarrelling and fighting).

This Decan hath its beginning from the Royal Star of Leo and unto it are allotted the two great Angels of the Schemhamphorash VHVYH and YLYAL.

Six of Wands, Lord of Victory

TWO hands in grip as the last, holding six wands crossed three and three. Flames issue from the point of junction. Above and below are short wands with flames issuing, surmounted respectively by the symbols of Jupiter and Leo, representing the Decan.

Victory after strife, Love, pleasure gained by labour, carefulness, sociability and avoiding of strife, yet victory therein; also insolence, and pride of riches and success, etc. The whole dependent on the dignity.

Tiphareth of Yod (Gain).

Hereunto are allotted the great Angels SYTAL and a'aLMYH of the Schemhamphorash.

Seven of Wands, Lord of Valour

TWO hands holding by grip six wands, three crossed. A third hand issuing from a cloud at the lower part of the card, holding an upright wand which passes between the others. Flames leap from the point of junction. Above and below the central wand are the symbols of Mars and Leo, representing the Decan.

Possible victory, depending on the energy and courage exercised; valour, opposition, obstacles and difficulties, yet courage to meet them; quarrelling, ignorance, pretence, and wrangling, and threatening; also victory in small and unimportant things, and influence upon subordinates.

Netzach of Yod (Opposition, yet courage).

Therein rule the two great Angels MHShYH and LLHAL of the Schemhamphorash.

Eight of Pentacles, Lord of Prudence

A WHITE Radiating Angelic Hand, issuing from a cloud, and grasping a branch of a rose tree, with four white roses thereon, which touch only the four lowermost Pentacles. No rosebuds even, but only leaves, touch the four uppermost disks.

All the Pentacles are similar to that of the Ace, but without the Maltese cross and wings. They are arranged like the geomantic figure Populus:

\* \*  
\* \*  
\* \*  
\* \*

Above and below them are the symbols Sun and Virgo for the Decan.

Over-careful in small things at the expense of great: "Penny wise and pound foolish": gain of ready money in small sums; mean; avaricious; industrious; cultivation of land; hoarding, lacking in enterprise.

Hod of Heh (Skill, prudence, cunning).

Therein rule those mighty Angels AKAYH and KHTHAL.

Nine of Pentacles, Lord of Material Gain

A WHITE Radiating Angelic Hand, holding a rose branch with nine white roses, each of which touches a Pentacle. The Pentacles are arranged thus:

\* \* \*

\* \* \*

\*

\* \* \*

\* \* \*

and there are rosebuds on the branches as well as flowers. Venus and Virgo above and below.

Complete realization of material gain, good, riches; inheritance; covetous; treasuring of goods; and sometimes theft and knavery. The whole according to dignity.

Yesod of Heh (Inheritance, much increase of goods).

Herein those mighty Angels HZYAL and ALDYH have rule and dominion.

Ten of Pentacles, Lord of Wealth

AN Angelic Hand, holding by the lower extremity a branch whose roses touch all the Pentacles. No buds, however, are shewn. The symbols of Mercury and Virgo are above and below. The Pentacles are thus arranged:

\* \* \*

\*

\* \* \*

\* \* \*

\*

\* \* \*

Completion of material gain and fortune; but nothing beyond: as it were, at the very pinnacle of success. Old age, slothfulness; great wealth, yet sometimes loss in part; heaviness; dullness of mind, yet clever and prosperous in money transactions.

Malkuth of Heh (Riches and wealth).

Herein are LAVYH and HHa'aYH set over this Decan as Angel Rulers.

## Two of Swords (or Pikes), Lord of Peace Restored

Two crossed swords, like the air dagger of a Zelator Adeptus Minor, each held by a White Radiant Angelic Hand. Upon the point where the two cross is a rose of five petals, emitting white rays. At the top and bottom of the card are two small daggers, supporting respectively the symbol {Crescent moon with horns upward} thus, and Libra representing the Decanate.

Contradictory characters in the same nature, strength through suffering; pleasure after pain. Sacrifice and trouble, yet strength arising therefrom, symbolized by the position of the rose, as though the pain itself had brought forth beauty. Arrangement, peace restored; truce; truth and untruth; sorrow and sympathy. Aid to the weak; arrangement; justice, unselfishness; also a tendency to repetition of affronts on being pardoned; injury when meaning well; given to petitions; also a want of tact, and asking question of little moment; talkative.

Chokmah of Vau. (Quarrel made up, yet still some tension in relations. Actions--sometimes selfish, sometimes unselfish.

Herein rule the Great Angels YZLAL and MNHAL.

## Three of Swords (or Spears), Lord of Sorrow

THREE White Radiating Angelic Hands, issuing from clouds, and holding three swords upright (as though the central sword had struck apart the two others, which were crossed in the preceding symbol): the central sword cuts asunder the rose of five petals, which in the previous symbol grew at the junction of the swords; its petals are falling, and no white rays issue from it. Above and below the central sword are the symbols of Saturn and Libra.

Disruption, interruption, separation, quarrelling; sowing of discord and strife, mischief-making, sorrow and tears; yet mirth in Platonic pleasures; singing, faithfulness in promises, honesty in money transactions, selfish and dissipated, yet sometimes generous: deceitful in words and repetitions; the whole according to dignity.

Binah of Vau (Unhappiness, sorrow, and tears).

Herein rule the Great Angels HRYAL and HQMYH as Lords of the Decan.

## Four of Swords, Lord of Rest from Strife

TWO White Radiating Angelic Hands, each holding two swords; which four cross in the centre. The rose of five petals with white radiations is reinstated on the point of their intersection. Above and below, on the points of two small daggers, are Jupiter and Libra, representing the Decanate.

Rest from sorrow; yet after and through it. Peace from and after war. Relaxation of anxiety.

Quietness, rest, ease and plenty, yet after struggle. Goods of this life; abundance; modified by dignity as is usual.

Chesed of Vau (Convalescence, recovery from sickness; change for the better).

Herein do LAVYH and KLYAL bear rule.

### Five of Cups (or Chalices), Lord of Loss in Pleasure

A WHITE Radiating Angelic Hand, holding lotuses or water-lilies, of which the flowers are falling right and left. Leaves only, and no buds, surmount them. These lotus stems ascend between the cups in the manner of a fountain, but no water flows therefrom; neither is there water in any of the cups, which are somewhat of the shape of the magical instrument of the Zelator Adeptus Minor.

Above and below are the symbols of Mars and Scorpio for the Decan.

Death, or end of pleasure: disappointment, sorrow and loss in those things from which pleasure is expected. Sadness, treachery, deceit; ill-will, detraction; charity and kindness ill requited; all kinds of anxieties and troubles from unsuspected and unexpected sources.

Geburah of Heh (Disappointment in love, marriage broken off, unkindness of a friend; loss of friendship).

Herein rule LVVYH and PHLYH.

### Six of Cups, Lord of Pleasure

AN Angelic Hand, as before, holds a group of stems of water-lilies or lotuses, from which six flowers bend, one over each cup. From these flowers a white glistening water flows into the cups as from a fountain, but they are not yet full. Above and below are Sun and Scorpio referring to the Decan.

Commencement of steady increase, gain and pleasure; but commencement only. Also affront, defective knowledge, and in some instances contention and strife arising from unwarranted self-assertion and vanity. Sometimes thankless and presumptuous; sometimes amiable and patient, according to dignity as usual.

Tiphareth of Heh (Beginning of wish, happiness, success, or enjoyment).

Therein rule NLKAL and YYYAL.

### Seven of Cups, Lord of Illusionary Success

THE seven cups are thus arranged:

Y Y Y

Y

Y Y Y

A hand, as usual, holds lotus stems which arise from the central lower cup. The hand is above this cup and below the middle one. With the exception of the central lower cup, each is overhung by a lotus flower, but no water falls from these into any of the cups, which are all quite empty. Above and below are the symbols of the Decanate Venus and Scorpio.

Possible victory, but neutralized by the supineness of the person: illusionary success, deception in the moment of apparent victory. Lying, error, promises unfulfilled. Drunkenness, wrath, vanity. Lust, fornication, violence against women, selfish dissipation, deception in love and friendship. Often success gained, but not followed up. Modified as usual by dignity.

Netzach of Heh (Lying, promises unfulfilled; illusion, deception, error; slight success at outset, not retained).

Herein the Angels MLHAL and ChHVYH rule.

Eight of Wands (or Torches), Lord of Swiftness

FOUR White Radiating Angelic Hands (two proceeding from each side) issuant from clouds; clasped in two pairs in the centre with the grip of the First Order. They hold eight wands, crossed four with four. Flames issue from the point of junction. Surmounting the small wands with flames issuing down them, and placed in the centre at the top and bottom of the card respectively, are the symbols of Mercury and Sagittarius for the Decan.

Too much force applied too suddenly. Very rapid rush, but quickly passed and expended. Violent, but not lasting. Swiftness, rapidity, courage, boldness, confidence, freedom, warfare, violence; love of open air, field-sports, gardens and meadows. Generous, subtle, eloquent, yet somewhat untrustworthy; rapacious, insolent, oppressive. Theft and robbery. According to dignity.

Hod of Yod (Hasty communications and messages; swiftness).

Therein rule the Angels NThHYH and HAAYH.

Nine of Wands (or Torches), Lord of Great Strength

FOUR hands, as in the previous symbol, holding eight wands crossed four and four; but a fifth hand at the foot of the card holds another wand upright, which traverses the point of junction with the others: flames leap herefrom. Above and below are the symbols Moon and Sagittarius.

Tremendous and steady force that cannot be shaken. Herculean strength, yet sometimes scientifically applied. Great success, but with strife and energy. Victory, preceded by apprehension and fear. Health good, and recovery not in doubt. Generous, questioning and curious; fond of external appearances: intractable, obstinate.

Yesod of Yod (Strength, power, health, recovery from sickness).

Therein rule the Angels YRThAL and ShAHYH.

Ten of Wands, Lord of Oppression

FOUR hands holding eight wands crossed as before. A fifth hand holding two wands upright, which traverses the junction of the others. Flames issuant. Saturn and Sagittarius.

Cruel and overbearing force and energy, but applied only to material and selfish ends. Sometimes shows failure in a matter, and the opposition too strong to be controlled; arising from the person's too great selfishness at the beginning. Ill-will, levity, lying, malice, slander, envy, obstinacy; swiftness in evil and deceit, if ill dignified. Also generosity, disinterestedness and self-sacrifice, when well dignified.

Malkuth of Yod (Cruelty, malice, revenge, injustice).

Therein rule RYYAL and AVMAL.

Two of Pentacles, Lord of Harmonious Change

TWO wheels, disks or pentacles, similar to that of the Ace. They are united by a green-and-gold serpent, bound about them like a figure of 8. It holds its tail in its mouth. A White Radiant Angelic Hand holds the centre of the whole. No roses enter into this card. Above and below are the symbols of Jupiter and Capricorn. It is a revolving symbol.

The harmony of change, alternation of gain and loss; weakness and strength; everchanging occupation; wandering, discontented with any fixed condition of things; now elated, then melancholy; industrious, yet unreliable; fortunate through prudence of management, yet sometimes unaccountably foolish; alternatively talkative and suspicious. Kind, yet wavering and inconsistent. Fortunate in journeying. Argumentative.

Chokmah of Heh (Pleasant change, visit to friends).

Herein the Angels LKBAL and VShRYH have rule.

Three of Pentacles, Lord of Material Works

A WHITE-WINGED Angelic Hand, as before, holding a branch of a rose tree, of which two white rosebuds touch and surmount the topmost Pentacle. The Pentacles are arranged in a Triangle thus:

\*

\* \* \*

Above and below the symbols Mars and Capricorn. Working and constructive force, building up, creation, erection; realization and increase of material things; gain in commercial transactions, rank; increase of substance, influence, cleverness in business, selfishness. Commencement of matters to be established later. Narrow and prejudiced. Keen in matters of gain; sometimes given to seeking after impossibilities.

Binah of Heh (Business, paid employment, commercial transaction).

Herein are YChVYH and LHChYH Angelic Rulers.

Four of Pentacles, Lord of Earthly Power

A HAND holding a branch of a rose tree, but without flowers or buds, save that in the centre is one fully blown white rose. Four Pentacles thus, with Sun and Capricorn above and below to represent the Decan:

\*

\*

\*

\*

Assured material gain: success, rank, dominion, earthy power, completed but leading to nothing beyond. Prejudicial, covetous, suspicious, careful and orderly, but discontented. Little enterprise or originality. According to dignity as usual.

Chesed of Heh (Gain of money or influence: a present).

Herein do KVQYH and MNDAL bear rule.

Five of Swords, Lord of Defeat

TWO Rayed Angelic Hands each holding two swords nearly upright, but falling apart of each other, right and left of the card. A third hand holds a sword upright in the centre as though it had disunited them. The petals of the rose, which in the four had been reinstated in the centre, are torn asunder and falling. Above and below are Venus and Aquarius for Decan.

Contest finished and decided against the person; failure, defeat, anxiety, trouble, poverty, avarice, grieving after gain, laborious, unresting; loss and vileness of nature; malicious, slanderous, lying, spiteful and tale-bearing. A busybody and separator of friends, hating to see peace and love between others. Cruel, yet cowardly, thankless and unreliable. Clever and quick in thought and speech. Feelings of pity easily roused, but unenduring.

Geburah of Vau (Defeat, loss, malice, spite, slander, evil-speaking).

Herein the Angels ANYAL and Cha'aMYH bear rule.

Six of Swords, Lord of Earned Success

TWO hands, as before, each holding two swords which cross in the centre. Rose re-established thereon. Mercury and Aquarius above and below, supported on the points of two short daggers or swords.

Success after anxiety and trouble; self-esteem, beauty, conceit, but sometimes modesty therewith; dominance, patience, labour, etc.

Tiphareth of Vau (Labour, work, journey by water).

Ruled by the Great Angels RHa'aAL and YYVHL.

Seven of Swords, Lord of Unstable Effort

TWO Angelic Radiating Hands as before, each holding three swords. A third hand holds up a single sword in the centre. The points of all the swords "just touch" each other, the central sword not altogether dividing them. The Rose of the previous symbols of this suit is held up by the same hand which holds the central sword: as if the victory were at its disposal. Symbols of Moon and Aquarius.

Partial success. Yielding when victory is within grasp, as if the last reserves of strength were used up. Inclination to lose when on the point of gaining, through not continuing the effort. Love of abundance, fascinated by display, given to compliments, affronts and insolences, and to spy upon others. Inclined to betray confidences, not always intentionally. Rather vacillatory and unreliable.

Netzach of Vau (Journey by land: in character untrustworthy).

Herein rule the Great Angels HHHAL and Ma'AKAL.

Eight of Cups, Lord of Abandoned Success

A WHITE Radiating Angelic Hand, holding a group of stems of lotuses or water-lilies. There are only two flowers shown, which bend over the two central cups, pouring into them a white water which fills them and runs over into the three lowest, which later are not yet filled. The three uppermost are quite empty. At the top and bottom of the card are symbols Saturn and Pisces.

Y Y Y

Y Y

Y Y Y

Temporary success, but without further results. Thing thrown aside as soon as gained. Not lasting, even in the matter in hand. Indolence in success. Journeying from place to place. Misery and repining without cause. Seeking after riches. Instability.

Hod of Heh (Success abandoned; decline of interest).

The Angels ruling are VVLYH and YLHYH.

Nine of Cups, Lord of Material Happiness

A WHITE Radiant Angelic Hand, issuing from a cloud holding lotus or water-lilies, one flower of which overhangs each cup; from it a white water pours. Cups are arranged in three rows of 3. Jupiter and Pisces above and below. Complete and perfect realization of pleasure and happiness, almost perfect; self-praise, vanity, conceit, much talking of self, yet kind and lovable, and may be self-denying therewith. High-minded, not easily satisfied with small and limited ideas. Apt to be maligned through too much self-assumption. A good and generous, but sometimes foolish nature.

Y Y Y

Y Y Y

Y Y Y

Yesod of Heh (Complete success, pleasure and happiness, wishes fulfilled).

Therein rule the Angels SALYH and a'ARYAL.

Ten of Cups (or Chalices), Lord of Perfected Success

HAND, as usual, holding bunch of water-lilies or lotuses, whose flowers pour a white water into all the cups, which "all run over." The uppermost cup is held sideways by a hand, and pours water into the left-hand upper cup. A single lotus flower surmounts the top cup, and is the source of the water that fills it. Above and below the symbols Mars and Pisces.

>

Y Y Y

Y Y Y

Y Y Y

Permanent and lasting success and happiness, because inspired from above. Not so sensual as "Lord of Material Happiness," yet almost more truly happy. Pleasure, dissipation, debauchery, quietness, peacemaking. Kindness, pity, generosity, wantonness, waste, etc., according to dignity.

Malkuth of Heh (Matter settled: complete good fortune).

Herein the Great Angels a'aShLYH and MYHAL rule.

Two of Wands, Lord of Dominion

A WHITE Radiating Angelic hand, issuing from clouds, and grasping two crossed wands. Flames issue from the point of junction. On two small wands above and below, with flames of five issuing therefrom, are the symbols of Mars and Aries for the Decan.

Strength, domination, harmony of rule and of justice. Boldness, courage, fierceness, shamelessness, revenge, resolution, generous, proud, sensitive, ambitious, refined, restless, turbulent, sagacious withal, yet unforgiving and obstinate.

Chokmah of Yod (Influence over others, authority, power, dominion).

Therein the Angels VHVAL and DNYAL bear rule.

Three of Wands, Lord of Established Strength

A WHITE Radiating Angelic Hand, as before, issuing from clouds and grasping three wands in the centre (two crossed, the third upright). Flames issue from the point of junction. Above and below are the symbols Sun and Aries.

Established force, strength, realization of hope. Completion of labour. Success after struggle. Pride, nobility, wealth, power, conceit. Rude self-assumption and insolence. Generosity, obstinacy, etc.

Binah of Yod (Pride, arrogance, self-assertion).

Herein rule the Angels HHShYH and a'aMMYH.

Four of Wands, Lord of Perfected Work

TWO White Radiating Angelic Hands, as before, issuing from clouds right and left of the card and clasped in the centre with the grip of the First Order, holding four wands or torches crossed. Flames issue from the point of junction. Above and below are two small flaming wands, with the symbols of Venus and Aries representing the Decan.

Perfection or completion of a thing built up with trouble and labour. Rest after labour, subtlety, cleverness, beauty, mirth, success in completion. Reasoning faculty, conclusions drawn from previous knowledge. Unreadiness, unreliable and unsteady through over-anxiety and hurriedness of action. Graceful in manner, at times insincere, etc.

Chesed of Yod (Settlement, arrangement, completion).

Herein are NNAAL and NYThHL Angelic rulers.

Five of Pentacles, Lord of Material Trouble

A WHITE Radiant Angelic Hand issuing from clouds, and holding a branch of the white rose tree, but from which the roses are falling, and leaving no buds behind. Five Pentacles similar to the Ace. Above and below are Mercury and Taurus.

Loss of money or position. Trouble about material things. Labour, toil, land cultivation; building, knowledge and acuteness of earthly things, poverty, carefulness, kindness; sometimes money regained after severe toil and labour. Unimaginative, harsh, stern, determined, obstinate.

Geburah of Heh (Loss of profession, loss of money, monetary anxiety).

Herein the angels MBHYH and PNYAL rule.

Six of Pentacles, Lord of Material Success

A WHITE Radiant Angelic Hand holding a rose branch with white roses and buds, each of which touches a Pentacle. Pentacles are arranged in two columns of three each. Above and below are the symbols Taurus and the Decan.

\* \*  
\* \*  
\* \*

Success and gain in material undertakings. Power, influence, rank, nobility, rule over the people. Fortunate, successful, liberal and just. If ill dignified, may be purse-proud, insolent from excess, or prodigal.

Tiphareth of Heh (Success in material things, prosperity in business).

Herein rule the Angels NMMYH and YYLAL.

Seven of Pentacles, Lord of Success Unfulfilled

A WHITE Radiating Angelic Hand issuing from a cloud, and holding a white rose branch. Seven Pentacles arranged like the geomantic figure Rubeus. There are only five buds, which overhang, but do not touch the five uppermost Pentacles. Above and below are the Decan symbols, Saturn and Taurus respectively.

\* \*  
\*  
\* \*  
\* \*  
\* \*

Promises of success unfulfilled. (Shewn, as it were, by the fact that the rosebuds do not come to anything.) Loss of apparently promising fortune. Hopes deceived and crushed. Disappointment, misery, slavery, necessity and baseness. A cultivator of land, and yet a loser thereby. Sometimes it denotes slight and isolated gains with no fruits resulting therefrom, and of no further account, though seeming to promise well.

Netzach of Heh (Unprofitable speculations and employments; little gain for much labour).

Therein HRChAL and MTzRAL are ruling Angels.

Eight of Swords, Lord of Shortened Force

FOUR White Radiant Angelic Hands issuing from clouds, each holding two swords, points upwards; all the points touch near the top of the card. Hands issue, two at each bottom angle of the card. The pose of the other sword symbols is re-established in the centre. Above and below are the Decan symbols Jupiter and Gemini.

Too much force applied to small things: too much attention to detail at the expense of the principal and more important points. When ill dignified, these qualities produce malice, pettiness, and domineering characteristics. Patience in detail of study; great care in some things, counterbalanced by equal disorder in others. Impulsive; equally fond of giving or receiving money or presents; generous, clever, acute, selfish and without strong feeling of affection. Admires wisdom, yet applies it to small and unworthy objects.

Hod of Vau (Narrow, restricted, petty, a prison).

Therein rule the Angels VMBAL and YHHAL.

### Nine of Swords, Lord of Despair and Cruelty

FOUR Hands, as in the preceding figure, hold eight swords nearly upright, but with the points falling away from each other. A fifth hand holds a ninth sword upright in the centre, as if it had struck them asunder. No rose at all is shewn, as if it were not merely cut asunder, but utterly destroyed. Above and below are the Decan symbols Mars and Gemini.

Despair, cruelty, pitilessness, malice, suffering, want, loss, misery. Burden, oppression, labour, subtlety and craft, dishonesty, lying and slander. Yet also obedience, faithfulness, patience, unselfishness, etc. According to dignity.

Yesod of Vau (Illness, suffering, malice, cruelty, pain).

Therein do a'aNVAL and MChYAL bear rule.

### Ten of Swords, Lord of Ruin

FOUR hands holding eight swords, as in the preceding symbol; the points falling away from each other. Two hands hold two swords crossed in the centre, as though their junction had disunited the others. No rose, flower or bud, is shewn. Above and below are Sun and Gemini, representing the Decan.

Almost a worse symbol than the Nine of Swords. Undisciplined, warring force, complete disruption and failure. Ruin of all plans and projects. Disdain, insolence and impertinence, yet mirth and jollity therewith. A marplot, loving to overthrow the happiness of others; a repeater of things; given to much unprofitable speech, and of many words. Yet clever, eloquent, etc., according to dignity.

Malkuth of HB:V (Ruin, death, defeat, disruption).

Herein the Angels HB:DMBYH and HB:MNQAL reign.

### Two of Cups, Lord of Love

A WHITE Radiant Hand, issuant from the lower part of the card from a cloud, holds lotuses. A lotus flower rises above water, which occupies the lower part of the card rising above the hand. From this flower rises a stem, terminating near the top of the card in another lotus, from which flows a sparkling white water, as from a fountain. Crossed on the stem just beneath are two dolphins, Argent and Or, on to which the water falls, and from which it pours in full streams, like jets of gold and silver, into two cups; which in their turn overflow, flooding the lower part of the card. Venus and Cancer above and below.

Harmony of masculine and feminine united. Harmony, pleasure, mirth, subtlety: but if ill dignified--folly, dissipation, waste, silly actions.

Chokmah of Heh (Marriage, love, pleasure).

Therein rule the Angels AVa'aAL and ChBVYH.

### Three of Cups, Lord of Abundance

A WHITE Radiating Hand, as before, holds a group of lotuses or water-lilies, from which two flowers rise on either side of, and overhanging the top cup; pouring into it the white water. Flowers in the same way pour white water into the lower cups. All the cups overflow; the topmost into the two others, and these upon the lower part of the card. Cups are arranged in an erect equilateral triangle. Mercury and Cancer above and below.

Y  
Y      Y

Abundance, plenty, success, pleasure, sensuality, passive success, good luck and fortune; love, gladness, kindness, liberality.

Binah of Heh (Plenty, hospitality, eating and drinking, pleasure, dancing, new clothes, merriment).

Therein the Angels RAHAL and YBMYH are lords.

### Four of Cups, Lord of Blended Pleasure

FOUR cups: the two upper overflowing into the two lower, which do not overflow. An Angelic Hand grasps a branch of lotus, from which ascends a stem bearing one flower at the top of the card, from which the white water flows into the two upper cups. From the centre two leaves pass right and left, making, as it were, a cross between the four cups. Above and below are the symbols Moon and Cancer for the Decan.

Success or pleasure approaching their end. A stationary period in happiness, which may, or may not, continue. It does not mean love and marriage so much as the previous symbol. It is too passive a symbol to represent perfectly complete happiness. Swiftness, hunting and pursuing. Acquisition by contention: injustice sometimes; some drawbacks to pleasure implied.

Chesed of Heh (Receiving pleasure or kindness from others, but some discomfort therewith).

Therein rule the great Angels HYYAL and MVMYH.

### Brief Meanings of Twenty-Two Keys

### Of The Dignities

A CARD is strong or weak, well dignified or ill dignified, according to the cards next to it on either side. Cards of the same suit on either side strengthen it greatly, for good or evil according to their nature. Cards of opposite natures on either side weaken it greatly, for either good or evil.

Swords are inimical to Pentacles. Wands are inimical to Cups. Swords are friendly with Cups and Wands. Wands are friendly with Swords and Pentacles.

If a card fall between two other which are mutually contrary, it is not much affected by either.

### A Method of Divination by the Tarot

1. THE Significator. Choose a card to represent the Querent, using your knowledge or judgment of his character rather than dwelling on his physical characteristics.
2. Take the cards in your left hand. In the right hand hold the wand over them, and say: I invoke thee, I A O, that thou wilt send H R U, the great Angel that is set over the operations of this Secret Wisdom, to lay his hand invisibly upon these consecrated cards of art, that thereby we may obtain true knowledge of hidden things, to the glory of thine ineffable Name. Amen.
3. Hand the cards to Querent, and bid him think of the question attentively, and cut.
4. Take the cards as cut, and hold as for dealing.

### First Operation

This shows the situation of the Querent at the time when he consults you.

1. The pack being in front of you, cut, and place the top half to the left.
2. Cut each pack again to the left.
3. These four stack represent I H V H, from right to left.
4. Find the Significator. It be in the Yod pack, the question refers to work, business, etc.; if in the Heh pack, to love, marriage, or pleasure; if in the Heh pack, to money, goods, and such purely material matters.
5. Tell the Querent what he has come for: if wrong, abandon the divination.
6. If right, spread out the pack containing the Significator, face upwards. Count the cards from him, in the direction in which he faces. The counting should include the card from which you count. For Kings, Queens and Princes, count 4. For Princesses, count 7. For Aces, count 11. For small cards, count according to the number. For trumps, count 3 for the elemental trumps; 9 for the planetary trumps; 12 for the ZodiacaL trumps. Make a "story" of these cards. This story is that of the beginning of the affair.
7. Pair the cards on either side of the Significator, then those outside them, and so on. Make another "story," which should fill in the details omitted in the first.
8. If this story is not quite accurate, do not be discouraged. Perhaps the Querent himself does not know everything. But the main lines ought to be laid down firmly, with correctness, or the divination should be abandoned.

### Second Operation

#### Development of the Question

1. Shuffle, invoke suitably, and let Querent cut as before.

2. Deal cards into twelve stacks, for the twelve astrological houses of heaven.
3. Make up your mind in which stack you ought to find the Significator, "e.g." in the seventh house if the question concerns marriage, and so on.
4. Examine this chosen stack. If the Significator is not there, try some cognate house. On a second failure, abandon the divination.

Read the stack counting and pairing as before.

#### Third Operation

Further Development of the Question

1. Shuffle, etc., as before.
2. Deal cards into twelve stacks for the twelve signs of the Zodiac.
3. Divine the proper stack and proceed as before.

#### Fourth Operation

Penultimate Aspects of the Question

1. Shuffle, etc., as before.
2. Find the Significator: set him upon the table; let the thirty-six cards following form a ring round him.
3. Count and pair as before.

#### Fifth Operation

Final Result

1. Shuffle, etc., as before.
2. Deal into ten packs in the form of the Tree of Life.
3. Make up your mind where the Significator should be, as before; but failure does not here necessarily imply that the divination has gone astray.
4. Count and pair as before.
